

Getting Started using the Biodiversity e-Learning Platform

Step1: Getting your SCBD account

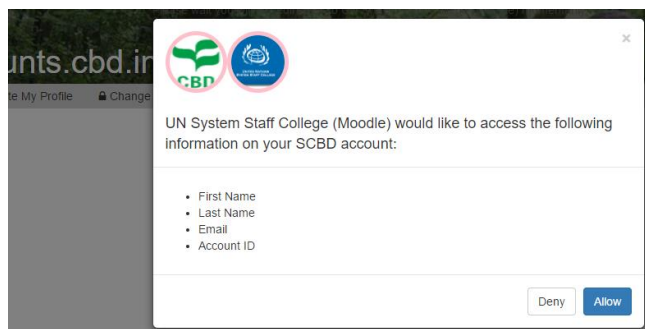

1. Go to <http://scbd.unssc.org/login/index.php> and click on **Create an SCBD account**:

2. Type in the requested information (First name, Last name, Organization, Email and Password) and click on **Submit**. A welcome message will be sent to your email address.

Getting Started using the Biodiversity e-Learning Platform

3. Check your email's inbox and follow the link provided in the validation message to activate your account.
4. Login with your SCBD account to the Biodiversity E-Learning Platform (<http://scbd.unssc.org/login/index.php>). The first time you log in, the screen below will appear. Click on **Allow**.

5. You are now ready to follow the courses on the platform. Do not hesitate to personalize your profile by clicking on **My Profile Settings** on the left side menu. *Happy e-learning!*
